

## **Rajko Maljković, Member of the Executive Board and Chief Operations Officer**

Rajko started to work in 2000 as support for Information System in Port of Bar (Montenegro). In 2003 he moved to work for Opportunity in Novi Sad as programmer, from 2006 continued as IT Manager and from 2014 as Head of Operations. During that period he had significant impact on adapting IT services to fit business needs, building back office functions by developing people and processes, and completing number of implementation and migration projects.

Rajko was appointed to the Executive Board as a member responsible for operations in 2019. He was born in Livno (Bosnia and Hercegovina) on 18th November 1974. He obtained Master degree in Electronics and Communications at the University of Novi Sad (Serbia) and MBA at the University of Sheffield (UK). Rajko is married with 3 children.
